

WELCOME TO THE OFFICE OF NEW MARKETS

The Office of New Markets develops and expands employment opportunities (both co-ops and post-graduate), and career paths in new, emerging and growth areas where students can use their JDs in innovative and interdisciplinary ways, including:

- Data Privacy/Information Security
- Environment, Social and Governance (ESG)/Corporate Sustainability
- Compliance and Ethics
- Intellectual Property and Technology Transfer
- Entrepreneurship
- Government Relations
- Legal Operations

Working closely with the Center for Co-op and Career Development to support students along their law school journey, our employer relationships span government agencies and non-profit organizations, as well as a wide spectrum of industry sectors— from health care and healthtech, biotechnology and pharmaceuticals to technology and fintech. A few examples: **Novo Nordisk**, *Boston MA*; **Toast**, *Boston MA*; **Headspace**, *Boston MA*; **Electronic Privacy Information Center (EPIC)**, *Washington DC*; **Federal Trade Commission, Division of Privacy & Identity Protection**, *Washington DC*; **BNY Mellon**, *Boston MA*; **FS Vector**, *Washington DC* and **Dana Farber**, *Boston MA*.

To learn more about New Markets or to schedule an advising appointment, please contact Rhonda Rittenberg, Director, Office of New Markets at r.rittenberg@northeastern.edu. New Markets employment opportunities and other resources can be found [here](#).
